April presentation

President Spence Sunderland presents a CONA speakers medal to Bill Bierly.

With the side of slavery invoking the favor of God during the Civil War, the Rev. Mark Watkinson thought the Union should do something about it and set in motion the adoption of the national motto In

God We Trust and its placement on our coins and later paper money.

Bill Bierly, author of *In God We Trust: Origins of the National Motto*, told the story of how the national motto came to be during his Covid-delayed April presentation.

The Confederate constitution, he said, begins with this preamble: *We, the people of the Confederate States, each State acting in its sovereign and independent character, in order to form a permanent federal government, establish justice, insure domestic tranquillity, and secure the blessings of liberty to ourselves and our posterity invoking the favor and guidance of Almighty God do ordain and establish this Constitution for the Confederate States of America.*

Show report

I thank Dan Carroll for giving this report in my absence. Dan is the cochair of the bourse committee for the show.

1. At this point, there are 29 dealers who have returned contracts and checks. I will be checking the mailbox again today so I am sure that this number will grow. The deadline for contract returns is May 1st and I have emailed the dealers to remind them to get their contracts back to me. There are 52 dealers who have signed letters of Intent and given at least a deposit, so I am waiting for signed contracts from 23 of them. We have five dealers on a wait list so the number of dealers for the show is looking strong.

2. The second payment is due to the Embassy Suites by Friday May 7 so I will mail that check next week.

3. I am continuing to update and make corrections to the attendee mailing list so we will be sending out about 1,500 postcards again this year.

4. CONA worker signup sheets will be available beginning at the June CONA meeting so please mark your calendars for Thursday, Sept. 2 through Saturday, Sept. 4.

Thanks,
Patty
